We watch every stitch!
The sewing on of buttons,
for example.

A small matter, yet only the other day a customer (a gentleman of high official rank in our excellent City Fire Department) waxed so enthusiastic on this one particular point that he asked for an introduction to our Advertising Man so he could personally tell him that "in the fifteen years of trading here he'd never lost a button."

Everything men and boys wear.

Ask for copy of "The Rookies' Re-call." Tells what to take to Training Camp.

All Training Camp outfits should include "Westpointer" shoes. Designed for hikes and drilling.

Report of Troubetzkoy

"Another matter of intense interest was the report of Prince Eugene Troubetzkoy, distant relative of the sculptor, who had made an extensive tour of rural communities to study the attitude of the peasant toward the deposition of Czar and the Provisional Government.

"Professor Kokoshkin will undoubtedly be one of the leaders in the framing of the new constitution. He has placed himself in favor of presidential election by direct vote, and a cabinet responsible to parliament as in France.
